 - Food Allergy Awareness Week is May 13th-May 19th please check with your nurse to see if they need anything done.
 - Consider adding to your Family Fun Nights at locations where alcohol is served for parents to please refrain from consuming alcohol during the event.
 - Presidents should pick the nominating committee. You current VP should think of the President position as the next step. If you have nomination from the floor when you slate is presented for vote you have two options. If the nomination from the floor is for an open position then the nomination can be accepted with vote. If it is a contested nomination then you need to table the nomination for a special meeting. Council needs to be called to be present at this special meeting. This is a special election and any paid PTO member can vote.
 - Include your incoming president when picking chairpeople for the coming year.
 - Community fliers will no longer be sent via the PTO email starting in September. It has become overwhelming.
 - Wayne Day is June 3rd. John Maso is looking to change up the presentation. Would like each school to send in pictures for a slide show. Please send all pictures (10 max per school) to Janine at neen410@aol.com by May 15th. This will take the place of posters. Volunteers will be needed for Wayne Day.

- Browse and Shop will be having a sale the first two weeks of June. Anyone who can volunteer to help an hour during the sale weeks would be appreciated. An email will follow.
 - MagicMasters game, Friday April 27th doors open at 6:00pm.
 - Next week council meeting at Terhune.
